Hardware Item Numbers on Packing Slips

To better track your items hardware packing slips now include the Accounting ID number displayed on the printed form.

How it works:

1. Launch Software for Hardware and from the Logo screen click the *Contract Jobs* menu selection.
2. Click the *Pak Slips* menu selection across the top.
3. Open the hardware packing slip you wish to view from the list on your screen.
4. Select *Bulk* or *Itemized* from either the *Preview Report* or *Print Report* menu selections across the top of the packing slip form.
