Show Tag Numbers on Price Estimate Reports
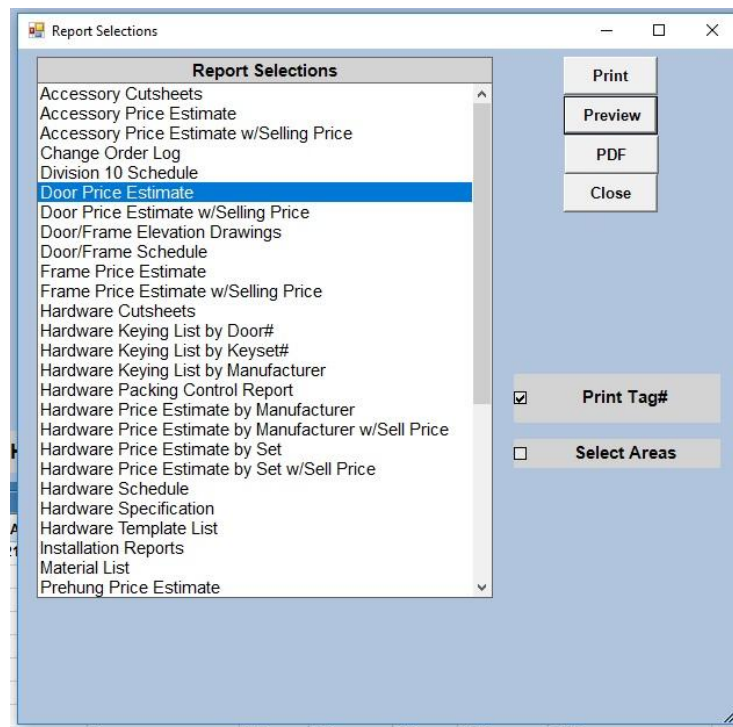

You now have the option to show tag numbers on all of the price estimate reports.

<u>Reports affected</u>:
1. Accessory Price Estimate
2. Accessory Price Estimate w/Selling Price
3. Door Price Estimate
4. Door Price Estimate w/Selling Price
5. Frame Price Estimate
6. Frame Price Estimate w/Selling Price
7. Hardware Price Estimate by Manufacturer
8. Hardware Price Estimate by Manufacturer w/Sell Price
9. Hardware Price Estimate by Set
10. Hardware Price Estimate by Set w/Sell Price
11. Prehung Price Estimate
12. Prehung Price Estimate w/Selling Price

How it works:

1. Open a contract job in Software for Hardware.
2. From the Project screen click the *Reports* menu.
3. Click on any of the reports listed above.
4. You will see the new *Print Tag#* check box.

5. Check the box to include Tag numbers, or, leave unchecked to omit Tag numbers from the report.
6. Click the *Print*, *Preview* or *PDF* button to generate the desired report.

7. Tag numbers appear below opening information.

NOTE: If the *Tag #* box is not checked then the lines containing *Tag(s):* and the actual tag numbers will not appear.

8. To print tag numbers from the pricing screen simply open any pricing screen and click either of the new buttons – *Print w/Tag#* or *Preview w/Tag#*.
