Add Project Manager to Contract Jobs/Quotes and Sales Orders/Proposals Lists

A Project Manager column has been added to the Contract Jobs and Contract Quotes lists and the Sales Orders and Sales Proposals lists. This new Software for Hardware, LLC enhancement gives at a glance reference to the Project Managers for particular Contract Jobs, Contract Quotes, Sales Orders or Sales Proposals. In addition, all the Contract Jobs and Contract Quotes list reports now contain Project Manager and can also be sorted by Project Manager as well.

Contract Jobs and Contract Quotes:

1. On the Contract Jobs and Contract Quotes lists you will find the new *Project Manager* column inserted between *Salesperson* and *Job Status*.
2. To print the listing sorted by Project Manager, simply click on the diamond shape in the *Project Manager* column heading in the grid, then click the *Print* button at the bottom of the list.

Sales Orders and Sales Proposals:

1. On the Sales Orders and Sales Proposals lists you will find the new *Project Manager* column inserted between *Salesperson* and *Ordered By*.
