

Tag Counts on Pricing and Provisioning Screens

In any Pricing or Provisioning screen SFH now has a Tag Count line when The *Show Tag Numbers* menu selection is chosen. This new feature gives you an at-a-glance total item count for a selected grid line.

How it works:

View Tag Count in Pricing:

1. Open a contract job in Software for Hardware.
2. Click the *Pricing* menu.
3. Select *Accessories, Doors, Frames, Hardware or Prehung*.
4. Click on a grid line then choose *Show Tag Numbers* from the menu.
